

Environmental (CEQA)

Consultant List

City of Moreno Valley
COMMUNITY DEVELOPMENT

The firms listed on this page have been evaluated by the City of Moreno Valley. Their inclusion on this list indicates that the City's minimum criteria have been met and the firms are qualified to prepare environmental documents as noted below. **The list is not to be considered an endorsement of any particular firm. The firms are listed alphabetically and no ranking is expressed or implied.**

Applicants wishing to use a firm/s not indicated below can obtain more information about the process by contacting the Planning Division at 951.413.3206.
