

Campaign Reporting

California is a national leader in promoting transparency and fairness in elections. The Political Reform Act requires candidates and committees to file campaign statements, by specified deadlines, disclosing contributions received and expenditures made. These documents are public and may be audited by the FPPC to ensure that voters are fully informed and improper practices prohibited. The City of Moreno Valley publishes campaign reports on its website.

If a candidate neither receives nor spends any money – other than for his/her nomination paper filing and a candidate statement - they need not file any campaign reporting forms.

The following are a few of the more common Fair Political Practices forms that candidates for the Office of Mayor or Councilmember may need to file:

501 Candidate Intention Statements

Before soliciting or receiving contributions, this form must be filed with the City Clerk (local filing officer). A new form must be filed for each election, even if the candidate is running for re-election.

470 Officeholder and Candidate Campaign Statement – short form

This form is filed with the City Clerk (local elections officer) if a candidate or officeholder anticipates raising or spending less than \$2,000 in a calendar year. This form is not appropriate if a candidate has an existing committee established for a prior election.

410 Statement of Organization

Persons (including an officeholder or candidate), organizations, groups, or other entities that raise contributions from others totaling \$2,000 or more in a calendar year must register as a recipient committee. “Contributions” include monetary payments, loans and non-monetary goods and services received or made for a political purpose. This form must be filed with the Secretary of State within 10 days of receiving \$2,000. A copy must be filed with the City Clerk (local elections officer).

460 Committee Report

This is the main campaign disclosure statement and provides the public with an overview of the committee’s activity, including money coming in and money going out during the reporting period. This form must be filed semi-annually and twice during the election. A short **Form 450** may be filed instead of the 460 form under certain circumstances. Forms 460 or 450 are filed with the City Clerk (local filing officer).

497 24-Hour Contribution Report

This form reports contributions that total more than \$1,000 from a single source during the last 90 days before the election. This form must be hand-delivered or faxed to the City Clerk’s office within certain timeframes.

There are variety of other FPPC forms that may affect candidates, their committees and independent committees. Local election information is found in Campaign Disclosure Manual 2, which may be accessed electronically at:
