I. INTRODUCTION

Pursuant to an Official Statement dated May 17, 2007, the City of Moreno Valley (the "City") issued \$5,870,000 Community Facilities District No. 5 of the City of Moreno Valley 2007 Special Tax Bonds (the "Bonds"). Proceeds of the Bonds were used to construct and acquire various public improvements needed with respect to the proposed development within Community Facilities District No. 5 of the City of Moreno Valley (the "District"). In addition to financing the costs of constructing and acquiring certain public improvements, proceeds were also used to finance Eastern Municipal Water District (EMWD) fees imposed pursuant to EMWD fee programs for financing master planned capital facilities.

The City is located approximately 66 miles east of Los Angeles and 100 miles north of San Diego, California. The City is approximately 51.5 square miles, located in the western portion of Riverside County (the "County"), surrounded by Riverside, Perris, March Air Reserve Base, Lake Perris and the Badlands. The District consists of approximately 64.4 gross acres of which approximately 33 are net taxable acres and is located at the southeast corner of the intersection of State Route 60 and Nason Street in the City and consists of the proposed Stoneridge Towne Center.

The Bonds are special limited tax obligations of the District and were issued as fully registered bonds secured by special taxes (the "Special Tax") levied on the taxable properties within the District. The Bonds are payable solely from the Special Taxes and from certain other assets pledged thereof under the Fiscal Agent Agreement pursuant to which such Bonds were issued. Neither the faith and credit nor the taxing power of the City, the County, the State of California or any political subdivision thereof, is pledged to the payment of the Bonds. Except for the Special Taxes, no other taxes are pledged to the payment of the Bonds. The Bonds are not general or special obligations of the City nor general obligations of the District, but are special obligations of the District payable exclusively from Special Taxes and amounts held under the Fiscal Agent Agreement, as more fully described in the Official Statement.

This Annual Continuing Disclosure Information Statement is being provided pursuant to a covenant made by the City for the benefit of the holders of the Bonds and includes the information specified in a Continuing Disclosure Agreement. For further information and a more complete description of the District, the City and the Bonds, reference is made to the Official Statement.
