NOTICE OF FUNDING AVAILABILITY (NOFA)

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG), EMERGENCY SOLUTIONS GRANTS (ESG) PROGRAM & HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME) NOTICE OF FUNDING AVAILABILITY (NOFA) FOR PROGRAM YEAR 2026/2027

The City of Moreno Valley anticipates receiving an allocation of approximately \$1.95 million in Federal Community Development Block Grant (CDBG) funding, approximately \$623,617 in HOME Investment Partnerships Program funding, and approximately \$172,000 in Emergency Solutions Grants (ESG) Program funding for Program Year 2026/2027 (July 1, 2026, through June 30, 2027) funded by the U.S. Department of Housing and Urban Development (HUD). In addition, the City may make available any HOME Program Income (HOME PI) for eligible HOME-assisted activities. As of the release of this Notice of Funding Availability (NOFA), HUD has not yet announced the PY 2026/27 allocations. Staff expects the City to receive funding amounts similar to those awarded last year. Please note, however, that this is only a preliminary estimate and actual funding may be reduced or may not be available. Applicants may apply for funds, but availability is not guaranteed and depends entirely on HUD's final award to the City.

The primary objective of the CDBG Program is the development of viable communities by providing decent housing, a suitable living environment, and expanded economic opportunities for low- and moderate-income residents. CDBG funds can be used for a variety of community development activities including, but not limited to public service projects such as, services for seniors, after-school programs, public safety, job training, homeless assistance, housing activities, public infrastructure projects, and economic development activities. HOME program funds must be used to create, retain, or rehabilitate affordable housing. ESG program funds must be used to assist, protect, and improve living conditions for the homeless and prevent homelessness in the community.
