Hikes to the Top

The Parks and Community Services Department will be sponsoring **FREE** hikes to promote awareness and appreciation of trails and hiking opportunities in and around our city.

Know your capabilities before you participate in a hike. If you need physical assistance, please bring a companion. Make sure to wear a comfortable pair of hiking boots or walking shoes designed for good traction on off-road terrain. Bring water and optional walking stick, sunscreen, and hat as needed. A guideline would be: **DIFFICULT/STRENUOUS** (significant elevation gains/challenging terrain); and **MODERATE** (some elevation gains/hills).
